

# Higher Education Industry

Advocating for our  
clients best interests

## Why Choose Us

Through extensive industry knowledge and experience, we were able to negotiate a favorable renewal agreement with their carrier, resulting in significant cost savings and improved performance

**CEO**

This project was good because now our carriers know not to mess with us!

## → Advocating

Able to deliver a 20% reduction in overselling, ensuring that our client was only paying for the services they needed

Negotiated a contract that better aligned with their needs

## → Optimal Results

Despite being told that they needed to sign up for 10 gigs, we were able to negotiate a contract that provided them with only the 2 gigs they actually needed
