

# The Preludial

The Prelude team extends warm wishes for a joyful and prosperous New Year! We eagerly anticipate another year of uncovering technology savings and providing market analyses for vendor selection.

## **Free Immediate Cost Savings Tip!**

Regularly scrutinize your business technology statements every month, particularly if you're obtaining services from a local phone provider. Keep a vigilant eye out for third-party billing charges, as these often entail fees for services you didn't request and do not need.

by WBENC for the sixth year in a row!

Join us at WBENC Nationals! 🦹‍♂️ 🎉 📢

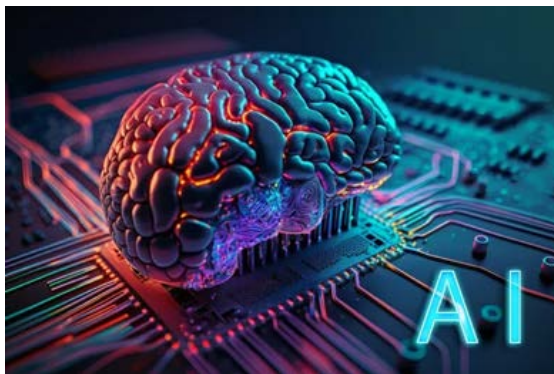

### **Prelude Gives Back!**

The Prelude team had a delightful time creating gift bags for distribution at Magee Rehabilitation Center and the heart failure and kidney transplant units at Penn Medicine in collaboration with Help Hope Live this holiday season.

### **2024 Telecom Trends**

AI and cybersecurity discussions prevail, and a 6% growth is anticipated this year. More than 70% of mid-market companies plan to increase spending in 2024, driven by the release of new tools enhancing client experience and productivity.
